

We've got a nice home, two cars and steady jobs. Life is good.

➤ But, life can also be uncertain. That's why you need Personal Umbrella Insurance from Safeco Insurance™. For most families, it's an essential level of insurance that goes beyond what your home and auto policies cover. It puts a ring of protection around your assets.

TOP 3 REASONS TO CHOOSE SAFECO®

1

Everything you've worked for could be at risk.

You could be held responsible if you cause an auto accident, someone is injured on your property, or if a guest injures someone in an accident after being served drinks in your home.

Protect yourself from situations like these with extended protection from \$1 million to \$5 million.

2

A small premium prevents big losses.

With Safeco Personal Umbrella Insurance, you can receive extended protection for **as little as \$10 a month***.

In a society where multimillion dollar judgments are not rare, it's affordable coverage you can't afford to be without. In most cases you will receive additional coverage for:

- Bodily injury and property damage in an accident that exceeds your auto liability limit
- Bodily injury in the event of an accident on your property in excess of your homeowners liability limits
- Any libel or slander judgements made against you

3

Relax, you're protected.

In the blink of an eye, a multimillion dollar lawsuit could erase the value of your home, car, property, savings, investments and income. To qualify, you need to be a Safeco auto policyholder.

An umbrella policy can protect your assets and prevent financial hardship, giving you broader coverage if you're sued and peace of mind knowing you're protected.
